Dave

ANJEC is arranging a networking session for the municipal environmental commissions in Essex County and surrounding counties.

Would you be available to give them an update on the cleanup of the Passaic River? The session will be on Thursday, 7 PM, at the Verona Boathouse, Lakeside and Bloomfield Avenues.

It would be great if you could talk and do Q&A for a total of 45 minutes. After that, we will give the commissions some networking time, to go around the room and report what they have been doing. You would be welcome to stay for that if you wish.

Thanks.
